RE:

CGR - TRESPASSING

Remyairtel 3/24/65.

For information of Bureau, approximately 50 special deputies were sworn in 3/10/65 and assisted regular U. S. Marshal's staff of 13 deputy marshals in the arrests of the 69 subjects. On 3/26/65 AUSA arranged for as many as possible of those persons to view motion pictures, mug shots taken by the Los Angeles County Sheriff's Office when subjects booked, and other available pictures obtained from various media which showed the blockage of the entrance to the Federal Building, Los Angeles and subsequent arrests.

From a review of these pictures, approximately one half of the 69 subjects were "matched" with either an arresting officer, or a witness to their trespass. AUSA plans on obtaining a "positive" print of a portion of one of the video tapes obtained of the demonstration 3/10/65 from KNXT, which shows the arrests and trespass of the subjects clearly. It is possible that even more of the subjects will thereafter be "matched."

The Bureau will be kept advised.

Concerning the arrest of 69 subjects on March 10, 1965, the U. S. Marshal's Office advised that since their staff numbered only 13 available deputy U. S. Marshals on March 10, 1965, upon authorization from Washington, D.C. 51 special deputies were sworn in to assist the Marshal's Office in making the arrests of the demonstrators blocking the entrances to the Federal Building. It was the original plan to indicate the arresting officers with each subject arrested, however, in view of the large number of subjects, together with the difficulty in "breaking" the subjects apart on the steps, a back log developed in the lobby of the Federal Building where those arrested were taken prior to removal through the back (Main Street) entrances to waiting buses from the Los Angeles County Sheriff's Office, and subsequent removal to Biscailuz Center where they were booked. Just prior to being loaded on the buses at the Federal Building, photographs were taken of each subject, which in most cases included the officer then with a subject. However, in most instances, this was not the arresting officer. Therefore, the booking slip for each of the 69 subjects failed to identify the arresting officer. AUSA [REDACTED] called a meeting with the arresting personnel on March 26, 1965 in the hope of identifying as many subjects as possible with their arresting officer and/or a witness to the trespass.

DETAILS

This investigation is predicated on demonstrations at the Federal Building, 312 North Spring Street, Los Angeles, California, which started on March 9, 1965. On March 10, 1965, 69 individuals blocking the Spring Street entrances to the Federal Building, Los Angeles, refused orders of the United States Attorney, Los Angeles, to disperse. Upon authorization of the United States Attorney, the 69 individuals were arrested by U.S. Marshals and Special Deputy U.S. Marshals between 4:40 PM to 5:15 PM.

NARRATIVE OF OFFENSE

At approximately 4:35 PM, March 10, 1965, U.S. Attorney MANUEL L. REAL, Los Angeles, made an appearance at the Spring Street entrance of the Federal Building, Los Angeles, where demonstrators were blocking the entrances. He advised the demonstrators that they had three minutes to clear the entrances or face arrest. When the demonstrators refused to move, the arrests began by U.S. Marshals and Special Deputy U.S. Marshals and continued until 5:15 PM when the entrances were cleared.

Those arrested were charged with violation of Title 18, U.S. Code, Sections 7, 13 (Crime on a Government Reservation); California Penal Code 416 (Refusing to Disperse Upon the Issuance of a Lawful Command); California Penal Code 602 (j) (Trespass and unlawful entry onto any land enclosed or unenclosed, and interference with occupants who are in lawful possession in conduct of their business); Title 40, U.S. Code, Section 318 and 44 CFR 100.5 (Certain Actions Prohibited Within Premises under Regulations of General Services Administration).
